

Children's Day Montessori's Summer Program offers children the opportunity to develop self-confidence, learn new skills, gain independence, make new friends, and enjoy summer activities both inside the classroom and outdoors.

This year we will be having three sessions. Each session will feature activities, creations, speakers, and presentations related to the theme of each month.

Session One: June 5th- 30th- Composting and Recycling

Session Two: July 5th – July 30th – Tending your Garden

Session Three: July 31st -August 25th – Bees – How they impact our gardens

The last day of summer school is Friday, August 25th. The week of August 28th –September 1st will be orientation for new children and therefore we will be unable to offer childcare that week.

NOTE: WE WILL BE HAVING LUNCH AT 12:00 AFTER PARENTS HAVE PICKED UP CHILDREN WITH NOON SCHEDULES.

We will be offering pizza for lunch this summer on **Wednesdays**. The cost will be \$5 per day. Sign up your child weekly if you want them to have pizza.
